FLORDRESS

WHITE LIQUID FLOOR DRESSING

Flordress is an opaque white liquid floor dressing specially formulated for use on vinyl type floors. If used as directed Flordress is durable and will maintain its shine.

PROPERTIES

- **Appearance** : White liquid.
- **pH (10%)** : N/A.
- **S.G** : N/A.
- **Stability** : Stable to continued freeze / thaw cycles.

FEATURES

1. Economical concentrated formula
2. A dry bright type emulsion
3. Non-slip
4. Lasting shine

USE DIRECTIONS

Where floors are patchy due to deterioration and where it is recommended that the floor first be stripped using either A-Strippa ammoniated or Clearstrip non-ammoniated strippers to remove any old floor dressing. The floor should then be washed with a solution of Nudet neutral detergent and water. Two further rinses will be required to ensure that there is no residue present. Once the floor is thoroughly clean and dry apply one coat of Flordress by means of a soft mop or applicator. When this application is dry apply a further coat. One more coat is recommended after the previous coat had dried. Daily maintenance will also insure the durability of the product.

SAFETY PRECAUTIONS AND FIRST AID

EYES : In the case of accidental eye contact, rinse freely with water and obtain medical attention.
SKIN : Wash off with water.
INGESTION : Give milk to drink. Seek medical attention.
INHALATION : No risk.
NOTE : DO NOT MIX WITH ANY CHEMICALS.
