## HANDGUARD

### ANTI-BACTERIAL LIQUID HAND SOAP

Handguard is a pearlescent pink pleasantly perfumed hand soap containing anti-bacterial compounds. Handguard is the ideal product for use through hand soap dispensers. Handguard contains a fresh perfume which imparts a pleasing odour to the hands. It also contains emollients and skin conditioners which leave the hands soft and healthy, preventing that dry sensation on the skin. Handguard gives maximum cleaning and is unaffected by either hard or soft water. It has been formulated to be particularly effective against Gram positive and Gram negative organisms. Handguard unlike ordinary soap will not cause scum even in hard water.

### PROPERTIES

- Appearance : Pink pearl liquid.
- pH (10%) : Neutral.
- S.G : N/A.
- Stability : Stable to continued freeze / thaw cycles.

### FEATURES

1. Pleasantly perfumed
2. Disinfection for hands.
3. Effective against most organisms
4. High active content
5. Free rinsing

### USE DIRECTIONS

Wet hands and apply about 5 mils Handguard to the palms and work well into the hands. Rinse with hot or cold water to leave the hands soft and pleasantly perfumed.

### SAFETY PRECAUTIONS AND FIRST AID
