BIO SUPREME

WASHING POWDER

Bio Supreme is a concentrated, enzyme active washing powder based on biodegradable detergents.

PROPERTIES

- **Appearance** : White powder with floral odour.
- **pH (10%)** : N/A.
- **S.G** : N/A.
- **Stability** : Stable to continued freeze / thaw cycles.

FEATURES

1. Equally effective in hard and soft water.
2. Contains biodegradable detergents.
3. Completely soluble and will not clog inlets.
4. Rinses easily. No graying of washing due to retained solids.
5. Safe on all metals, painted surfaces and plastics.
6. Suitable for automatic, twin tub as well as manual washing operations.
7. Performs well at temperatures between ambient and 80°C.

USE DIRECTIONS

- Dose Bio Supreme at 10 g per kilogram dry load.
- Laundry should have a contact time with the detergent for at least 15 minutes. This is to ensure that full benefit is obtained from the enzymes.
- Temperature should ideally be controlled between 60 – 70°C.
- Rinse in clean water, and dose with Cozy soft.

SAFETY PRECAUTIONS AND FIRST AID

EYES : In the case of accidental eye contact, rinse freely with water and obtain medical attention.
SKIN : Avoid excessive contact with solutions of BC 100
INGESTION : Give milk to drink. Seek medical attention. Will cause nausea and vomiting.
INHALATION : No risk.
NOTE : DO NOT MIX WITH ANY CHEMICALS.
