## AUTOGLEEM VEHICLE SHAMPOO

Autogleem is a pale amber liquid containing a high proportion of wetting and foaming agents, especially suited to washing vehicle exteriors by hand and leaves no residue or streaks on the vehicle exterior even when allowed to drip dry. Autogleem is quite neutral and soft on the hands.

### INDUSTRIAL APPLICATION

The high oil and grease removal properties of AUTOGLEEM make it particularly suitable for cleaning vans, delivery vehicles and motor cars. The cleaning can be done by hand or mop, or through automatic car washing plants. When thoroughly rinsed, very little or no drying is required. It is quite safe on all painted surfaces.

### METHOD OF USE

Use at 5mls per liter water. Warm or cold water can be used.

### PROPERTIES

- Physical form : pale amber liquid (anionic)
- Ph (concentrate) : 7,0 – 7,5
- Flash point : none
- Effluent : completely biodegradable
- Solubility : completely soluble in water
- Rinsability : excellent
- Freeze/thaw stability : excellent
- Odour : slightly sweet
