## AUTOSHAMPOO

Autoshampoo is especially suited to washing vehicles exteriors by hand and leaves no residue or streaks on the vehicle exterior even when allowed to drip dry. Autoshampoo is quite neutral and soft on the hands.

### INDUSTRIAL APPLICATION

The high oil and greaser removal properties of Autoshampoo make it particularly suitable for cleaning vans, delivery vehicles and motor cars. The cleaning can be done by hand or mop, or through automatic car washing plants. When thoroughly rinsed, very little or no drying is required. It is quite safe on all painted surfaces.
