TECHNICAL DATA SHEET

METALEX

LIQUID METAL POLISH

METALEX is viscous brown liquid metal polish for polishing brass, bronze, copper nickel steel, stainless steel pewter and zinc. **METALEX** contains fine abrasive material to remove tannish from the mentioned metals and paraffin waxes to leave a long-lasting lustre. **METALEX** is suitable for silverware or silver-plated material.

WARNING: METALEX is flammable and should not be used near naked flames.

CAUTION

METALEX is alkaline and contains hydrocarbons and petroleum waxes. It should not be ingested. In case of eye contact wash with water and seek medical attention

USE DIRECTIONS

For best results apply sparingly using a soft cloth or soft tissue. Rub vigorously then remove the soiled and excess metal polish with a clean cloth.

SAFETY PRECAUTIONS AND FIRST AID

EYES: Flush well with water, seek medical attention.

SKIN: Wash well with soap and water.

INGESTED: Induce vomiting, give person milk to drink Seek medical attention

INHALATION: remove to fresh air

NOTE: DO NOT MIX WITH ANY OTHER CHEMICALS.

Store in a dry safe place away from children.
